

We are delighted to be open again! Firstly we would like to thank each and every one of you for your patience throughout this time. We have been working hard behind the scenes to ensure that we have all of the correct equipment and PPE we need to be even safer moving forward and that our staff are all up to date with the new cross infection protocols within our practice.

We are now taking appointments.

We will be running a reduced, phased service to begin with. Please bear with us as we will be prioritising dental emergencies and urgent treatment.

We have always been proud of our high standards of safety and cleanliness but to ensure the continued safety of our team and patients, we've introduced even more precautions.

Please don't be alarmed if we are wearing more equipment than usual - we are still the same people underneath it all!

PLEASE CALL FOR APPOINTMENTS

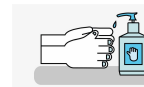

- Please don't try to make appointments face to face, we are trying to limit contact to keep you safe.
- Our team will explain everything you need to do prior to your appointment
- We are also taking pre-payment over the phone to reduce contact via cash and card

BEFORE YOUR APPOINTMENT

- Brush your teeth and visit the toilet at home
- Attend on time & wait in the car/outside
- Please attend your appointment alone if possible- wear a mask if you have one.
- Please do not bring too many items with you
- Bring your own pen if possible

ENTERING THE PRACTICE

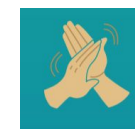

- Please wait to be called into the practice
- Please wash your hands with alcohol gel for 20 seconds
- You will be asked a few questions to screen you for COVID-19
- The dentist or nurse will take you straight into the surgery

DURING TREATMENT

- The dentist and nurse may be wearing more protective equipment
- You may be asked to rinse with a special mouthwash
- All surfaces and instruments are thoroughly disinfected

AFTER TREATMENT

- Please wash your hands with the hand-gel again when leaving
- Contactless payments are encouraged
